QUALITY POLICY STATEMENT

Fortress Interlocks Pty Ltd is a leading supplier of safety interlocking systems and retail security products to a world-wide market.

We aim to exceed our customer's expectations and provide the highest level of product functionality, reliability and technical support within the industry.

We operate within an independently certified quality system in accordance with the requirements of ISO 9001.

In line with the environmental and health & safety objectives of the organisation, an integrated management system forms an integral part of the overall company procedures and is certified to meet the requirements of both ISO 14001 and OHSAS 18001.

The company is committed to maintaining continued success in the market place by continued legal compliance and improvement with regard to both its management system and to the products, services and processes of the company.

A handwritten signature in blue ink, consisting of several fluid, overlapping strokes.

Malcolm Sharp

Managing Director
